Summary

I have been an SAT1 English language instructor and an English Language coordinator at many International High schools in Egypt for 13 years.

I have earned my Master's in Educational Leadership from Washington State University- Tri-cities- WA, the USA.

I have received a very professional training on Education Collaborative Research at Washington State University, Ellen Ochoa Middle School& Columbia Basin College -WA, the USA.

I am a very dedicated High School Teaching Professional with a proven background in improving bilingual students' academic performances to reach international education standards.

Resumed my work/ educational activities in Egypt, in July 2013 till our present time, in many international schools. (Kindly see below)

The last position I held before I left Egypt, late 2011, 2012-13, for my Master's was an (Acting Principal) at Kawmeya Girls College, and an SAT 1 Language Program Director at Mansoura International College in Mansoura City where I was one of the very first educators to contribute in establishing an International/ American Division in the Delta region of Egypt.

I prepared- in the last 13 years- more than 600 students to pass the following international exams: IELTS, GRE, TOEFL (IBT) & SAT1.

Achievements

Team Building and Leadership

Created collaborative classroom experience through [Student/teacher collaborative work on enhancing writing skills and research for writing purposes- English Egyptian Language

- School].

Process Improvement

Developed writing skills for young researchers through a lot of tutoring efforts to train them to write in APA that resulted in the publish of several research proposals and complete research work worldwide.

Training:

Delivered training modules to international students to ensure smooth adoption of new international programs as well as International Language Testing Systems. (e.g. Pyramids Language School, Mansoura College, The Egyptian English Language School, Pioneers • International school, El Quds International School...) Adding to the school efforts with undergraduates, over 600 graduate students had successfully passed with me the IELTS & TOEFL IBT in the last 12 years (work documented through a one-hour documentary movie produced by

Eman Hafez available to watch on the YouTube- please search by

Eman Hafez or **What do People need?**)- Produced in 2007. Adding to the new release of **(Rediscover Education with Eman Hafez)**- produced in 2017- A short documentary on the importance of teacher/scientist collaboration, international collaboration, science inquiry, research and more on education development worldwide.

- Completed training on-time and under-budget (e.g.Kawmeya Girls College)

Program Management

Initiated and managed Student Technology Leadership Program (MAP) test, incorporating innovative technology with class curriculum for greater learning opportunities;

(e.g. Kawmeya Girls College, Mansoura College and The Egyptian English Language School, El Quds International School, Pioneers International School, Riada American School, Forsan American School and El Zahra International School)

Professional Experience SAT1 English Language Instructor and International Language Testing Director in many foreign and International schools/ institutes in both Egypt and the U.S.A. (Kindly see below)

Developed interesting course plans to meet academic, intellectual needs of students to pass the SAT English Language Section successfully.

Taught Creative writing to many diverse classes, each, of more than 25 students.

Applied progressive teaching principles to more than 12 classes, in many international schools, each of 11 to 29 students, improving standardized tests scores by 17% in a six-month period.

Taught English Literature to grades 10-12.

Routinely met with students' parents regarding in-class issues and learning interruptions to discuss solutions.
